### Preservation Programs

These landmark programs are run by local governments. Upon request, the Secretary will also provide informal technical assistance to any agency on questions concerning the establishment or improvement of the agency's historic preservation program. Public agencies, 501 c 3 , and other federally designated nonprofit organizations are eligible.

### County Initiative Program (CIP)

End-use and criticality of supplies and services. Private Organizations Private entities also help promote preservation initiatives. Providers may absorb these costs as bad debt or tap into funding sources designed to cover some of the costs.

### Sources of for Uncompensated Care for the Uninsured

Therefore, even when an area has been completely surveyed for historic properties of all types it may require re-investigation if many years have passed since the survey was completed. Some professional organizations can help stewards of historic properties understand and interpret their properties.

### NPR 8735.2B Management of Government Quality Assurance Functions for NASA Contracts

We also excluded uncompensated care costs associated with long-term care services. FAR Part 12, Acquisition of Commercial Items.

### African American Cultural Heritage Action Fund

Only one grant will be awarded per organization in any grant round. Government follow-up may consist of first-hand observations or review of verifiable contractor- submitted documentation.

## **Preservation Programs**

Consultation with the Secretary regarding an agency's program will be based upon the degree to which that program is consistent with the Act and with the standards and guidelines that follow. Lack of an adequate plan describing quality assurance functions to be performed.

### **About Preservation Programs**

Compliance with responsibilities pursuant to section 106 of the Act is an integral part of an agency's overall historic preservation program. Note: The Defense Contract Management Agency DCMA is an example of an agency that performs delegated CAAS functions on NASA's behalf.
