The angel Gabriel again appears and reveals that the seventy years are in reality seventy weeks of years upon the completion of which justice will be done and the temple reconsecrated.

□□□ □□□□

This book constitutes what may be the definitive argument in favor of the thesis that much of William Blake's work had a political purpose and that his symbolism

was substantially intended to refer, on the one hand, to events in his own time and, on the other, to historical events archetypically related to them.

William Blake's God
