Creative Traffic or Project Management: Is There a Difference

Many platforms offer paid traffic services including search engines, social media platforms, and media networks.

The Beginners Guide to Online Marketing

Qualifications Experience may be preferable to qualifications for this role. When done well, good PR can be much more effective and less expensive than advertising.

The Beginners Guide to Online Marketing

This article was contributed by Tate Lillies, a former Function Point employee.

Job description: Traffic manager

SEO is competitive and has a reputation of being a black art. But, we felt that there was something missing — a guide that really starts at the beginning to equip already-intelligent professionals with a healthy balance of strategic and tactical advice.

The Beginners Guide to Online Marketing

Does your agency have a , a Project Manager or both? What you should do instead is to focus on a few key channels where your brand is most likely to reach key customers and prospects. Paid traffic should also be used to complement your , by remarketing previous website visitors. Many of these visitors will be bots that malicious actors use to scoop up as many products as possible to resell at huge markups.
