An Homage to the Bleak and Dismal World

I also argue that U. On the other hand, the state has also attempted to mobilize local citizens when it wanted to make a stronger case to a foreign government, as China has been accused of doing. Second, how might visual works trace the afterlife of imperialism and militarization, which continue to dwell in the everyday? To examine this aesthetic, I use two conceptual frames that deal with urban and literary transformation, respectively.

Midnight's Children

. Bandung, India, China, and Tibet: Peaceful Coexistence Or What? ¹ In short, the novella is.

The New Asian City: Three

The Cold War from Below: Intersections of State and Society: Haunted Memories, Social Movements and Cold War Ghosts Wesley Sasaki-Uemura, University of Utah I would like to rethink state-society relations in the context of contested memory and post-memory in various contentions during the Cold War era. With portrayals of various groups such as leftists, rightists, former collaborators, Americans, as well as a Japanese person remaining in Korea, Dawn Wind gives us a window into the public discourse and pressing issues of the time.

Yŏm Sang

In Europe as in Asia, the nuclear family achieved new prominence as a crucial site of consumption and necessary counterweight to the world of work. They also possible offer a methodological way around the difficult process of excavating memory that this period of hot and cold war has wrought and left as a legacy.

Colonial and Postcolonial Discourse in the Novels of Yŏm Sang

Heaven Tree offers justifiable and zealous attempts to commemorate Yŏm Sang-sŏp as a remarkable subject, one who was most acutely aware of the politics, society, and aesthetics of the period in which he lived. The Japanese state generally tried to shore up the framework of Cold War binaries in dealing with these issues, but local dissident movements frequently tried to move away from or break down that structure. .
