SONG OF THE DRAGONS FLYING TO HEAVEN: NEGOTIATING HISTORY

The history of the various names of the regions where the family lived and the sequence of their moves from one to the next, including the beginning of the whole story in a quarrel over the affections of a kisaeng, is described in maplike detail in the annotation to the third verse. This was true for South Korean scientists as well. Each and every one is involved in getting benefits for himself.

Meanwhile, spy films depicting the proxy war between spies in South Korean society plotting its division and destruction and state power checking their activities functioned as bastions of preserving the status quo, prodding the audience to be always alert to the reality of national division.

Vladimir Tikhonov

It is undeniable, of course, that the degree of working-class self-representational capacity was greatly affected by both hard-core Cold War anti-communist policies and the neoliberal fragmentation of wage laborers into many divergent, sometimes even mutually antagonistic, groups. Furthermore, Dongmakgol and A Little Pond criticize the South Korean state as Taegukgi did.

If they should manage to work their way into government or marry into the royal family and seize political office, they will bring turmoil and disaster to the country. Конфуцианскому сознанию, однако, было сложно принять идею о положительной роли конкуренции внутри

национального коллектива.

Jeju Palimpsest

A common custom across East Asia was for the historians of succeeding dynasties to compile histories of their dynastic predecessors as a means to demonstrate legitimacy.
