Efficiency and Cost Reduction: What to Stop Doing

Huron is not a law firm; it does not offer, and is not authorized to provide, legal advice or counseling in any jurisdiction.

Pressure to Reopen: Colleges Weigh Student Safety With Financial Realities

Ensure that you are, as an institution, really know who you are, who you will best serve, the ways in which you will best serve those populations, ensure that you aren't missing any opportunities that may exist, be willing to take some calculated risk but understand what that risk might look like through a real thorough review of the data before taking that plunge.

Episode 78

We've also all heard about how the jobs that exist today are not necessarily the ones that students who are enrolled in college today will be working in 10 years from now and that... I read an article the other day, I think it said about 60% of the jobs 10 years from now don't exist yet, or 15 years from now don't exist yet. Wyatt: We have a vice president that works with us that grew up in a state in New England that has had four colleges close in the last two years.

UWinnipeg makes tough budget choices

CORRECTS DATE Rutgers University President Robert Barchi, center right, shares a laugh with its with Rutgers' vice president of public affairs, Peter J. Minnesota officials say the figures are misleading because not all schools report administrative spending the same way.

Episode 78

This represents a 23% reduction in utility costs over this period. That person is earning more, spending more, and paying higher taxes to all levels

of government. Wyatt: I was just talking the other day with a business owner and his total marketing budget goes to Facebook.

Cost of College: Colleges' Bureaucracy Expands Costs

It adopted a corporate, private-sector orientated model for governance, creating high-salaried vice-presidents for every task or problem it encountered. We have already made significant reductions in management and administrative costs beyond the 15% the province has requested of public entities.

Public colleges in N.J. face bleak future budgets, tough choices

Annual cost increases of 3% to 5% are standard. Wyatt: Well, thanks for joining us. The Hawkins-Stafford amendments are designed to mandate accountability for student outcomes, create or strengthen mechanisms for involving local practitioners in state-level decisions, involve parents in the educational program, and require stronger coordination between Chapter 1 and other instruction.
