Social Life in Victorian England

What's more, at least half a dozen fine polished Neolithic flint and other stone axes probably votive offerings to the spirits of the river have been discovered on the Thames foreshore. Popular culture, especially music, radio, and television, has brought English creoles and patois; Indian, Pakistani and Bangladeshi English; and Celtic versions of English into the lives of the country's inhabitants. Class is the primary way in which people approach social stratification.

London, historic and social (1901 edition)

Marriage, Family, and Kinship Marriage. Fashioned of granite and marble, the memorial also features a 14-foot statue of the prince himself.

History of Social Work, details

Among many members of the South Asian and Jewish communities, arranged marriages as a means of cementing family alliances are the norm. In 1983, only 5 percent of non-manual workers were unemployed. Social Stratification Classes and Castes.

History of London

For more information see the and for a more detailed demographic account see.

Social Life in Victorian England

A Phenomenology of Working Class Experience, 2000.

New discovery suggests London's story goes back more than 3,000 years longer than previously thought

Offering a glimpse of a city under siege, these underground chambers illustrate British efforts to thwart German bombs and hostilities during WWII.
