## CHEMIAKINE

There are a few very minor flecks of paint loss and light surface scratches in places. Originally, it served as a teaching studio at the St.

### Chemiakin Artwork — American Fine Art Inc.

In 1971 Chemiakin was forced out of the USSR by the Soviet authorities. Condition Report: Notice to bidders: The absence of a condition report does not imply that the lot is in perfect condition, additional condition information is available by request. Lithograph is hand signed M.

### Mikhail Chemiakin

Some historians believe that Shemyakin's ancestors can be traced to the Mongol military commander Kardan, the grandson of Genghis Khan, who took part in Mongol military campaign of the 1241-1242. Lower corner slightly bumped in first half of book.
