Each player secretly writes down his or her guess as to what the word means.

The Games Bureaucrats Play: AFPF v. Becerra—Civil Rights Jenga

This phase is probably being planned as you read this article.

Why Bureaucrats Play Games on JSTOR

Equal parts scout and translator, FP draws on the world's leading journalists, thinkers, and professionals to analyze the most significant international trends and events of our times, without regard to ideology or political bias. It might be ugly and there inevitably will be bad choices made during this time, but this is when a lot of dead wood and programmatic cuts can be made. There is no way to avoid them.

The Games Bureaucrats Play: AFPF v. Becerra—Civil Rights Jenga

And Supreme Court Justice Stephen Breyer commented that the plan to provide access to every element at steep discounts, by itself does not automatically mean increased competition. And in case, you are wondering about the prize money, well it's not much. Like a sail boat, it tacks with the political breeze.
