**Kill the Toff (Large print book, 2005) [perssongroup.materialsproject.org]**

The Toff is described as a wealthy bachelor who lies in a flat in Mayfair located at 22, Gresham terrace. These differences in personality extended to the way both girls taught Aang; however, Toph eventually showed a bit of compromise in order to help Aang through his initial difficulty with earthbending. Toph loved battling and took great pride in her earthbending skills.

**I'm A Celeb's Georgia Toffolo breaks down in tears as she's 'detained' at Maldives airport and begs for help**

She appeared to have the same carefree and adventurous personality as Aang and was very tomboyish in the way she acted and dressed, in contrast to the delicate doll her parents saw her as. She easily avoided Korra's elemental barrage and defeated her with one mud pillar once again.

**Kill the Toff (Large print book, 2005) [perssongroup.materialsproject.org]**

If the American had Raymond Chandler, the English would have John Creasey. She was subsequently pulled aside by Aang, who told her he was under the impression that the only reason why she believed Satoru was due to a crush she had on him; Toph countered by rhetorically asking him whether this impressionability was similar to having a skewed perception due to a nostalgic affinity to cultural rituals.

**The Toff on the Farm**

Using a dark spell given to her by Eclipsa, Moon approached Toffee and his equally immortal army to kill him, but realizing the magic was making her dark and that Eclipsa would be free if she did which was part of the bargain she made with Eclipsa, she simply used the spell to separate the middle finger off his right hand.

**John Creasey**

As Aang, Katara, and Sokka leaped into action, Toph continued to fight Yaling, who called her a poor teacher for not teaching her any metalbending. Saving her family Toph was glad to reunite with her only granddaughter,. Call for the Baron was also published as under Blue Mask Victorious.

## **The Toff on the Farm**

With Bolin's help, she catapulted Lin atop the wooden cell, so she could swing back all the prisoners on her cable and Bolin could catch them.
