From Hegel to Marx: Studies in the Intellectual Development of Karl Marx (A Morningside Book)

History is the autobiography of God. . The Autobiography of God A major difference between Hegel and Marx relates to the role of religion.

From Hegel to Marx : Studies in the Intellectual Development of Karl Marx by Sidney Hook and Sidney Hook (1994, Trade Paperback) for sale online

Reason and Revolution: Hegel and the Rise of Social Theory. In 1907 it was translated into English as The Ego and His Own, although a current translation by Wolfi Landstrichter 2017 more correctly has it as The Unique and Its Property. The analysis includes both what Marx preserves of Hegel and what gets thrown out.

Self and Others: Max Stirner and Revolutionary Anarchism

Hegel died in 1831, when Marx was just 13. Political philosophy occurred not just in academia and books, but in newspapers and periodicals.

From Hegel to Marx; studies in the intellectual development of Karl Marx : Hook, Sidney, 1902

Rubel, Maximilien, Pages choisies pour une éthique socialiste. It is only through practice that problems can be solved.

9780231096645: From Hegel to Marx

This caution is added, not to prevent the reader from raising difficulties, but rather to insure that the difficulties which are raised bear relevantly upon the issues discussed. Precisely what Hook did not do was allow his anti-communism, or any other single idea, to determine the whole of his thought. These are passed on to individuals mostly through the family.
