## Coltrane at the Village Vanguard

And it all fits a single narrative. Not sure how this happened since all of the vinyl reviews of it were so good. We set the tempo, and in we went.

## Dayna Stephens Quartet: Right Now! Live at the Village Vanguard (Core Port)

To some he was 'anti-Jazz', a moniker that was also attached to Eric Dolphy, who linked up with Coltrane in 1961. Il joue toujours en septet mais avec diff rents musiciens par exemple Marcus Roberts est au piano en 90 et 91 et remplac  ensuite par Eric Reed. .

## Song Index

And this is one of nine tracks on one of seven CD's. He pushes himself and the blues to the limits of endurance, drawing light from dark, pleasure from pain, liberation from constraint. They play just great and make sure that this music sounds totally fresh, whilst at the same time being deeply rooted in the jazz tradition.

## John Coltrane

In the grand tradition of the genre, the key here is the interplay between the musicians, not simply the bandleader, though the sharp report of's tone and the volleys of notes he fires off during the more extreme passages will sound more than familiar to anyone acquainted with his work. He moved to New York City in 1978. .
