### The University of Iowa

Iowa's rivers provided transportation routes bringing European traders, trappers and explorers like the Frenchmen, and in 1673.

### About the State of Iowa

We continually strive to uphold the foundation of principles and morals that these great men and women put into place. The officers before us have set the bar high. We are truly in this together, and a grateful State of Iowa thanks you all.

### U.S. Census Bureau QuickFacts: Iowa

We thank our many law enforcement partners for their collaboration to create this special remembrance.

### Academics

Across much of the rest of the state, lesser amounts of loess amassed. This Veterans Day we honor and salute the 151 employees who have, or continue to, serve our great nation and state. More than nine-tenths of its land is devoted to agriculture, making it one of the top states in agricultural production.

### ESPN: Serving sports fans. Anytime. Anywhere.

It was named for the Des Moines River.

### Schedule

The Des Moines lobe began its final retreat about 13,000 to 14,000 years ago. The state name is derived from the people who once inhabited the area. There tributaries of the Mississippi cut deeply into the underlying bedrock.

### U.S. Census Bureau QuickFacts: Iowa

Over the millennia, the prevailing west winds carried the loess from the western plains into Iowa as the glaciers retreated.
