### Pinellas County Government, Pinellas County, Florida, Human Resources

With these three interactions, all parties are engaged with one another, and that engagement brings about change. I love social media and all things the Internet has to offer with the exception of privacy breaches.

### Talent On Tap

If a competitor was trying to pursue the same highly skilled LinkedIn candidate as you, but the individual have had more offline interaction with you, they are far more likely to trust your advice and choose your client than go with the recruiter they have never met. They were so incredible that they took a lot of the tension away for me. One of the more surprising things was, the bigger and more well known the star was, they were the quickest to reply and were the most gracious.

### The Power of Face

There are three dynamics to consider: speaker to audience, audience to speaker, and audience to audience, and each of them bring something important to the overall experience.

### Talent On Tap

When you think about a traditional welcome, personality is crucial every step of the way, escalating as more people get involved.
