## Letters of Sigmund Freud

Thus by a certain path he actually becomes the hero, king, creator, favourite he desired to be, without pursuing the circuit- ous path of creating real alterations in the outer world. Science-aided thinking is smart thinking.

In my town Azupirani - it lies on the banks of Euphrates - my mother, the vestal, conceived me.

## Rob Buckman obituary

I would refer here to what Herbert Silberer has called the ' functional phenomenon one of the few indisputably valuable additions to the theory of dreams. It there was wonder that he allowed ever new tyrants to come who subjected and ill-treated his people - the Assyrians, Babylonians, Persians - yet his power was recognized in that all those wicked enemies were defeated in their turn and their empires destroyed. Robert Buckman is going through a certain kind of mid-life crisis that he's eager to joke about.

## Out of Practice

What happened at Qades was a compromise, in which the part taken by the Moses tribe is unmistakable. . Originally a Father religion, Christianity became a Son religion.
