### 10 Basic Christian Beliefs

Dennett 1969; Stich 1979, 1983.

### Belief and the Basis of Meaning

The church baptizes new members and children in formal ceremonies that symbolize the forgiveness of sins and attainment of eternal life. It struck him that his ship was rickety, and that its soundness might be in question. But what exactly is it? As Millikan 1984 , Papineau 1984 , and others have suggested, it seems one thing to say that to believe is to be in a state that fills a particular causal role, and it seems quite another to say that beliefs are essentially states that represent how things stand in the world.

### Judaism: Basic Beliefs

They don't educate their children past eighth grade, and they avoid joining the military. Even the religious leaders were amazed at his knowledge when he was just 12 years old. Behold, a virgin shall conceive and bear a son, and shall call his name Immanuel.

### The basis for belief or disbelief

Again, it is an open and interesting question whether these issues need to be dealt with differently in an ethics of belief than they are in an ethics of action. Think about it please Miho Valle.

### What Is the Biblical Basis for Purgatory?

The first starts from the observation that if we are to ascribe a belief to a being without language—a dog, say, who is barking up a tree into which he has just seen a squirrel run—we must ascribe a belief with some particular content. In fact, the Amish rarely accept converts. We have evolved 2 minds; one science mind observes facts and sees where it leads.

### BASIS FOR BELIEF

But even if it is granted that a creature must have human-like representations in order to behave thoroughly like a human being, one might still think that it is the pattern of actual and potential behavior that is fundamental in belief—that representations are essential to belief only because, and to the extent to, they ground such a pattern.

### **Judaism: Basic Beliefs**

Perhaps the best place to make a distinction between moderate Evidentialism and full-blown Non-Evidentialism is over whether a subject can be not only permitted but also obliged to form a belief on insufficient evidence or, depending on the reflective access conditions, on what she takes to be insufficient evidence in certain situations.
