Spitfire stories: true tales from those who designed, maintained and flew the iconic plane

Several other manufacturers have produced replica Spitfires, either as complete aircraft or as kits for self-building. The close escort broke up the attack and few enemy aircraft got through to the bombers who all returned safely.

Supermarine Spitfire

The Ventura was also more versatile than the Hudson and had greater offensive power.

5 Facts About Ray Hanna Than Even His Biggest Fans Don't Know

The dog, his wife gave him that. Navy was to provide four squadrons and the RNZAF seven—four fighter, two medium bomber, and one flying boat. The response has been huge.

Spitfire vs. Hurricane: First RAF Combat of World War II

Above: The Hurricane Mk IV fitted with rockets were used in ground-attack missions in the European theatre until the early days of 1944, before being replaced by the more modern Hawker Typhoon. King, Chief of Naval Operations, while not committing himself as to the future role of the RNZAF, agreed that the Kiwi squadrons should continue offensive operations in the northern Solomons.
