495. Kuan Chung (d. 645 B.C.). Respectfully Quoted: A Dictionary of Quotations. 1989

By 2007 the program had saved the lives of almost 1,500 people in 25 different countries. The Chuang Tzu account does not give us Hui Shih's reasoning, so we cannot be sure of his reasoning and intended implications of these formulae. Clearly, again, this must be useful from one's present point of view, values and standards.

From the hinge of ways perspective, we no more value the world's top chess player than the world's finest jack of all trades. This effort was inspired in 1970 after Cheng Yen noticed a link between poverty and illness after spending six years among the poor of eastern Taiwan.

495. Kuan Chung (d. 645 B.C.). Respectfully Quoted: A Dictionary of Quotations. 1989

Saying they are natural smoothing them on the whetstone of nature is neither to approve nor to judge them equal.

Tsu Ch'ung

It does normally involve suspension of selfconsciousness, ratiocination and seems like surrender to an external force. We don't have time, anymore, to read the map, we begin to see ourselves as reading the world. The ship represents Tzu Chi steering a ship of compassion, representing their goal in saving all beings that suffer, while the Eight Petals represent the in , which Tzu Chi uses as their guide.
