His Britannic Majesty's Army Germany During Seven Years War

As many of you may know, this book HIS MAJESTY'S BRITTANIC ARMY IN GERMANY DURING THE SEVEN YEARS WAR by Sir Reginald Savory is the definitive source in English for the Western theatre of the Seven Years War. Dust Jacket Condition: As New.

It is published quarterly in March, June, September and December. And Savory is perfectly willing to add some analysis when needed. But after a year or two of pining, I finally took the plunge and bought the book this month.

An excellent copy, the jacket very slightly sunned at the spine. First published in 1921, the Journal of the Society for Army Historical Research JSAHR is one of the premier journals of military history.
