SILVEIRA de BRAGANZA, Ronald Louis and Charlotte OAKES. A necessary reference set for any student of American literature. .

River and Firth of Clyde, 1549

My husband and I will be adopting a baby soon, so I am taking a few years off from full-time publishing work to take on something that is totally different, but probably equally challenging. The normal focus of the Review is the agrarian and rural history of the British Isles, but papers on the rural history of Europe, North America and Australasia are also welcome, especially where they make a comparative contribution to our understanding of British developments.
