Casinghead gas may be used for any beneficial purpose, which includes the manufacture of natural gasoline.

Natural gas and the environment

However, there still existed significant regulations regarding the sale of gas from an interstate pipeline to local utilities and local distribution companies LDCs. Pending publication of the current statutes, see S.

Natural Gas Policy Act of 1978

A number of these proposals involve converting inactive LNG import terminals to handle LNG exports. However, the open access provisions of Order No.

A Brief History of Natural Gas

Then it dropped again for a few years, and in 2005 was down to 18.

Natural Gas Policy Act of 1978

No person in possession of or operating an oil well may produce from the oil well gas found in a horizon productive of gas only. June 16, 1981; Acts 1995, 74th Leg. Thus natural gas markets were no longer segmented by municipal boundaries.

ENERGY AGENCY OF THE REPUBLIC OF SERBIA

Amended by Acts 1995, 74th Leg. The Act also transferred to the FERC from the Interstate Commerce Commission the authority to set oil pipeline transportation rates and to set the value of oil pipelines for ratemaking purposes. This enables sustainable natural gas sector development.
