Submit your art for display in a gallery. X Research source While the competition is fierce and it may take some time for you to break into the gallery world, getting into a gallery is a great step towards selling your art and making a living as a professional artist. If you are a graphic designer, for example, you will want to create a digital portfolio, as this will likely be the expected format.

A strong portfolio highlights your best pieces, so include any pieces that you feel particularly confident in, as well as any that have garnered positive critical feedback. Area The artist area, as the name suggests, indicates the area with which an artist is primarily identified with. To determine how much to charge for your art, assess the size, shape, medium, weight, subject matter, colors, how long it took you to make it, how much the supplies cost, and how experienced you are at that particular artistic medium.
