Sports Medicine Fellowship

Changing the future begins today. An International Consensus Statement on Physical Activity and Mental Health Just Released Exercise and Sports Science Australia, American College of Sports Medicine, British Association of Sport and Exercise Science, and Sport and Exercise Science New Zealand collaborated to develop a brief statement titled The Role of Sport, Exercise, and Physical Activity in Closing the Life Expectancy Gap for People with Mental Illness.

ACSM Foundation

Fellow is required to work on at least one research project during the fellowship year. Abena Tannor recently completed the requirements and passed examinations to become the first fully accredited and trained family medicine and sports exercise and rehabilitation medicine fellow in Ghana and sub-Saharan Africa. Campbell Foundation support staff is available to assist in this research.

ACSM Foundation

The Sympathetic Nervous System and Vascular Health Drs.

Sports Medicine Fellowship

The fellow will develop the knowledge and skills necessary to initiate and administrate a community-focused sports medicine practice that serves high school, collegiate, professional, high school and recreational athletes. The Maricopa County Community College District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities.
