4 Concept of Spirituality in Art: Past, Present and Future

interest over and above gross enjoyment. The world of art has great influence on the inner world of mankind; it is closely connected with 'Consciousness' itself. Aesthetics is the subject dealing with the intricate issues in art and art consciousness, which lies embedded in spirituality.

Spirituality is a concept and needs to be understood in terms of Truth, Beauty and Goodness. When a man manifests the divinity within, he finds himself connected with Truth, Beauty and Goodness. These are the spiritual elements based on the sacredness of Art. The past, present and future of Art are closely related to the concept of spirituality. We are going to discuss spirituality in art -- a very abstract concept; but art has to be appreciated in terms of this. We bring out the prospective features of it, but spirituality is always hidden under the surface.

What is Spirituality — Definition and Types of Spiritual Practices

They are accidental and subject to change according to the exigencies of time and place. We know why we acted the way we did. At the apex of this hierarchy is the knowing capacity.

The Concept of Spirituality in Social Philosophy

The distinction between the spiritual and the religious became more common in the popular mind during the late 20th century with the rise of and the advent of the movement. In most general terms, the Sanskrit word yoga stands for spiritual discipline in Hinduism, Jainism, and certain schools of Buddhism.

The Concept of Spirituality by Dr. William S. Hatcher

The 'holy alliance' between Newtonian natural philosophy and Anglican latitudinarianism had, by the end of the eighteenth century, proved a fruitful marriage.

A discussion of the concept of spirituality

If man did not have the spiritual-material duality in his nature, he would be spared the unpleasant tension that often accompanies the struggle to take a step along the path of spiritual growth, but he would also be denied the opportunities for growth provided by this very duality. Whichever path or combination of the two you follow is the personal and subjective expression of your journey of awakening. Acceptance of the Manifestations and obedience to the laws They reveal are seen to constitute an essential prerequisite for the successful prosecution of the spiritual growth process.

More will be said about this in a later section.

Concept Analysis on Spirituality Essay

This is the fundamental aspect of the religion of God and this is of the highest importance because knowledge of God is the fundamental requirement of man. . . . Indeed, since the Manifestations constitute such a unique link between man and the unseen world of spiritual reality, knowledge of the Manifestations is the foundation of the whole process of spiritual development. In other words, the full, harmonious, and proper development of our spiritual capacities means developing these capacities so that we may respond ever more adequately, and with increasing sensitivity and nuance, to the will of God: The process of spiritual growth is the process by which we learn how to conform ourselves to the divine will on ever deeper levels of our being.

Concept of Spirituality define concept of spirit

Then, it may be said, good and evil are innate in the reality of man, and this is contrary to the pure goodness of nature and creation.

The Concept of Spirituality by Dr. William S. Hatcher

These sanctified Mirrors, these Day-springs of ancient glory are one and all the Exponents on earth of Him Who is the central Orb of the universe, its Essence and ultimate Purpose. Nevertheless, we will continue to be significantly affected by our interactions with others and therefore by the attitudes and viewpoints which they have. He Who is the Day Spring of Truth is, no doubt, fully capable of rescuing from such remoteness wayward souls and of causing them to draw nigh unto His court and attain His Presence.
