## Roylco Stencils Products

Let them trace and color the shape to create their own work of art. These stencils are cut from heavy-duty plastic for years of use.

## My First Stencils For Easy Picture Making

Thank you for creating this site.

## First Words / Early Learning stencils (2007 edition)

Not for children under 3 years.

## Early learning printables for Preschool & Kindergarten

Display finished artwork on bulletin boards, wall borders or from the ceiling.

## First Words / Early Learning stencils (2007 edition)

I am teaching ELL students via the computer and would love to have directional cards. Use these stencils to teach basic to advanced number recognition.

## Roylco Stencils Products

Helps promote fine motor skills. . The large size is easy to see at a distance and are easy to clean.

## Early learning printables for Preschool & Kindergarten

The students have to use their computer mouse to do those things so it would be great if that could be its own card or incorporated into the graphic.

## **Number Stencil Tracers**

Warning: Choking Hazard - Small Parts. Making pictures is easy with My First Stencil Tracers! Big shapes and fun, familiar designs are perfect for little fingers and chunky crayons.
