Xenophon

This is not to say that he was not a good ruler, but he is depicted as surreal and not subject to the foibles of other men.

9 Things You May Not Know About Albert Einstein

Title page to the first issue of the Vanity Fair serial, whose canary-yellow colour became a hallmark. Xenophon is recognized as one of the greatest writers of antiquity. Nearly everything she does is with the intention of securing a stable position for herself, or herself and her husband after she and Rawdon are married.

The buried life; a study of the relation between Thackeray's fiction and his personal history, (Book, 1970)

The same engraved illustration appeared on the canary-yellow cover of each monthly part; this colour became Thackeray's signature, as a light blue-green was Dickens's, allowing passers-by to notice a new Thackeray number in a bookstall from a distance. Saddened, he goes with his regiment to India for many years. Although what Thackeray principally objected to was glorification of a criminal's deeds, his intent may have been to entrap the Victorian reader with their own prejudices and make them think the worst of Becky Sharp even when they have no proof of her actions.

The Buried Life — Gordon Norton Ray

If it could be approached through essay or discussion, poetry or prose, VQR has covered it. What is a good leader and how to be a good leader are the two topics Xenophon.
