Wilfred Gordon McDonald Partridge Lesson Plan

The children will visit this person with the class to read with their friend once a month or a more convenient time frame. Arrange for a tour of the nursing home which will provide the children with a lot of information. Now I ask you... is it even possible to not love a book brought to you by Mem Fox? The book was named Children's Book of the Year by the Child Study Association of America, Notable Book by the American Library Association, and one of 100 Best Children's Books by the New York Times.

Lesson Plan

Lesson Plan

It's a beautiful book, and true in the way that sometimes only fiction is. It reminds me of all the initiatives happening in the Netherlands and elsewhere in Europe to try to bring young children and the elderly together to share experiences and joy.
