The Two Noble Kinsmen on Apple Books

Nymphs: Participants in the wedding. In the end, Arcite wins.

The Two Noble Kinsmen, The · British Universities Film & Video Council

Theseus absolves the jailer, who had no part in Palamon's escape, and gives a pardon to his deranged daughter. The Speaker asks the audience how they liked the play and again commends it to them.

The Two Noble Kinsmen Summary: Brief Play Overview

Hippolyta persuades Theseus to aid them before the wedding.

Shakespeare's Globe: The Two Noble Kinsmen (2018)

However, fate twists dramatically as Palamon awaits execution; a messenger arrives bringing news of Arcite's mortal wounding suffered in a horse riding accident. There are three main sources for The Two Noble Kinsmen. Palamon and Arcite reconcile at the end of the play.

Shakespeare Resource Center

Initially, the Theban knights Arcite and Palamon are devoted kinsmen, both serving their king, Creaon, who is defeated by Theseus, Duke of Athens. After they leave, Arcite disguises himself, catches up with them, and joins their company so that he can re-enter Athens and glimpse lovely Emilia.

The Two Noble Kinsmen Background

One of the central characters, Arcite, dies in an accident after winning the hand of the beautiful Emilia. They are summoned to fight against Theseus. Emilia cries onion tears, then marries her backup beau, Palamon, after Theseus pardons him before the axe falls.
