Surah Naba benefits

Who, then, can henceforth cause you to deny the Last Judgement? Hell has been described as an ambush, because the rebels of God are fearless of it and are enjoying life thinking that the world is a haven of bliss for them. God is the Supreme Lord of man, the heavens and earth, this life and the next, who metes out reward for righteousness and punishment for transgression and tyranny.

Surah An Naba [78]

Surah An Naba [78]

The deeds of the noble Companions are greater than the deeds of the rest of the Ummah.

Hence we come back to the fateful tiding, the subject of the argument. We can imagine, however, a blast on a Trumpet which people answer by arriving in droves.
