## The Amistad Mutiny, 1839 •

The new schooner was built using a general knowledge of the and art drawings from the era. If so, they would return to Ruiz and Montez in Cuba and be enslaved. New York: Chelsea House Publishers.

## Amistad (1997): Movie Summary & Review

Events following the revolt raise controversial questions about slavery and freedom. The company was later put into liquidation, and in November 2015 a new non-profit, Discovering Amistad Inc.

## Amistad Family Services

On November 25, 1841, the surviving Amistad captives departed from New York harbor for Sierra Leone.

## The Amistad Mutiny, 1839 •

On July 1, 1839, the Africans seized the ship, killed the captain and the cook, and ordered Montes and Ruiz to sail to Africa. A district court judge then ruled that, as former free men living in Africa, the Spanish had no right to enslave the Mende. The counselors are all very kind and helpful, and the office staff has been great.
