## Rare & Collectible Books

Imprese, stratagemmi et errori militari. The obstacles in the way of such a collection were numerous and of proportions calculated to discourage and often to intimidate- particularly one not of the millionaire class; and whatever of success has been achieved must be attributed to active searchings, often in out-of-the-way places, and to perseverance. Ink name on title page.

## Subject Index

The text pages show the effect of double columns with small highly- finished miniatures occupying the width of one column interspersed. It is a very remarkable circumstance to get the folding genealogy in such perfect order as in the above copy, its very nature subjecting it to the liability of all kinds of damage, but in this case it has fortunately escaped. We hope he would have liked this catalogue and humbly dedicate it to his memory foreword by J.

## Ex Libris

One page has been removed so that plates XIII and XIV are missing.

## E.P. Goldschmidt & Company Ltd (London)

The name of Aldus, of Venice, is famous among those of the early Renaissance printers. Anno LXI sol statt XLI. Wooden boards covered with blind stamped pigskin, 2 clasps, si.
