What constitutional rights do prisoners have?

Prohibition on gun ownership by ex-felons is a collateral consequence of a felony conviction. Force has to be excessive, and not result in de minimus injuries.

What are the constitutional rights of prisoners?

Prisoners face restrictions imposed by the Prison Litigation Reform Act PLRA when they sue to enforce their rights; courts often defer to corrections officials, who often cite questionable security concerns; courts only appoint counsel in around 5% of civil rights cases; juries are unsympathetic to incarcerated plaintiffs, etc. Prisoners also have rights to speech and religion, to the extent these rights do not interfere with their status as inmates.
