## Introduction: Human Security Development and the Future of East Asia

The MNLF accused the government of violating the Tripoli Agreement and continued its armed struggle. Thus the actual challenge for ASEAN in dealing with Myanmar is not merely to counter the leadership problem in Myanmar that ASEAN leaders claim needs to be resolved, but to challenge all leaders in ASEAN, which maintains a state-oriented approach.

## Human Security In East Asia

The disaster also exposed dramatic disconnects between the military authorities and civil society. In fact, Amara Pongsapich contends that the situation in southern Thailand demonstrates a threat to human security in a very comprehensive and complicated condition, in which all security aspects, economic, health, education, environment, community, personal, and political, can be observed Pongsapich 2007: 229.

## Human Security in East Asia: Beyond Crises

There are a number of publications, both scholarly and policy-related, that focus on human security.

## Human Security in East Asia: Beyond Crises

It will be inappropriate to consider that human security has no relevance in the three countries in Indochina: Cambodia, Vietnam, and Lao PDR.

## Human Security In East Asia

Some critics have pointed out this approach as a form of accommodation Haas 1966: 95. The government also introduced a secular system of education, in which non-Muslim teachers were appointed to Moro schools Islam 2003: 198. According to Yegar, the 1921 Compulsory Primary Education Act required all children to attend state primary schools for four years to learn the Thai language.
