## The Excellent Doctor Blackwell: The life of the first woman physician by Julia Boyd, Paperback

They displayed extraordinary character and unshakeable self-assurance in the face of near-universal opposition and withering condemnation.

## The Excellent Doctor Blackwell: The life of the first woman physician by Julia Boyd

While not entirely on terms she had requested, at least she had arrived at an institution that could grant her a medical degree and perhaps some semblance of legitimacy. I recommend it to anyone interested in medical history, or who feels that modern life is difficult. Wanted to know how she looked and her clinics.

## Book Review: Behind the Myth of a Pioneering Female Physician

Since 1949, the has awarded the annually to a female physician.

**The Excellent Doctor Blackwell: The Life of the First Female Physician: Boyd, Julia: 9780750941402:**  
**[perssongroup.materialsproject.org](http://perssongroup.materialsproject.org): Books**

The dean and faculty, usually responsible for evaluating an applicant for matriculation, were not able to make a decision due to the special nature of Blackwell's case. The young men voted unanimously to accept her. .

## The Excellent Doctor Blackwell: The life of the first woman physician by Julia Boyd

Nimura does a wonderful job of bringing her story, and equally importantly, her sister's story to a new generation. I recommend this book as both readable and absorbing. Tending to a Parisian newborn with congenital gonorrhea of the eyes, Elizabeth splashed infected fluid onto her face,

infecting both of her eyes.

**The Excellent Doctor Blackwell: The life of the first woman physician**

She rejected germ theory, vaccination and other leading scientific discoveries, instead believing that disease resulted from immoral behavior.
