**Verbum Domini: Post**

The 2015 Failed State Index reports that the most fragile nation is South Sudan, and the least fragile one is Finland. Frontiers in Ecology and the Environment. Therefore, it is contradictory to try to use violence to obtain peace.

**Verbum Domini: Post**

In the face of widespread confusion in the sphere of affectivity, and the rise of ways of thinking which trivialize the human body and sexual differentiation, the word of God re-affirms the original goodness of the human being, created as man and woman and called to a love which is faithful, reciprocal and fruitful. In this coming forth from God and returning to him cf.

**Peace**

Possessions, pleasure and power show themselves sooner or later to be incapable of fulfilling the deepest yearnings of the human heart. Jn 20:8 also help us to lean on the breast of Christ cf.

**Verbum Domini: Post**

For this reason I encourage pastors and the faithful to recognize the importance of this emphasis on the Bible: it will also be the best way to deal with certain pastoral problems which were discussed at the Synod and have to do, for example, with the proliferation of sects which spread a distorted and manipulative reading of sacred Scripture.

**Verbum Domini: Post**

In the present context it is more necessary than ever to rediscover the word of God as a source of reconciliation and peace, since in that word God is reconciling to himself all things cf.

## **Peace**

Do your reading with the intent of believing in and pleasing God. Let us follow the example of this great saint who devoted his life to the study of the Bible and who gave the Church its Latin translation, the Vulgate, as well as the example of all those saints who made an encounter with Christ the centre of their spiritual lives. In 2016, Jim Morris noted that the studio has no plans for a sequel, as they consider WALL-E a finished story with no need for continuation.

## **WALL**

Consequently, I intend to revisit the work of the Synod in the light of its documents: the Lineamenta, the Instrumentum Laboris, the Relationes ante and post disceptationem, the texts of the interventions, both those delivered on the Synod floor and those presented in written form, the reports of the smaller discussion groups, the Final Message to the People of God and, above all, a number of specific proposals Propositiones which the Fathers considered especially significant. Wherever necessary, the competent offices and groups can make provision for publications aimed at bringing out the interconnection of the Lectionary readings, all of which are to be proclaimed to the liturgical assembly as called for by the liturgy of the day.

## **Peace**

Certainly theological reflection has always considered inspiration and truth as two key concepts for an ecclesial hermeneutic of the sacred Scriptures.
