## History of the American Revolution

Since many Americans owned farms and business, there was little reason for the revolutionaries to overturn existing economic relationships.

## Political Satire From The Revolution

The Congress set up a government arsenal for manufacturing them at Springfield Massachusetts. After two unsuccessful attacks, the British advanced a third time.

## New Jersey in the American Revolution, 1763

After arriving in France, Adams argued with the French leaders. About this Item: Batchworth Press, London, 1955. His experience in Spain had been less than reassuring.

## American Revolution (1763

In 1779, Spain joined the war as an ally of France and engaged in a series of battles with Britain in Florida, Louisiana and in the Mediterranean. On the return march to Boston, the British suffered heavy casualties. At this rate, molasses from the French West Indies was cheaper than the duty-free molasses that came from the British West Indies.

## Vol. 18, No. 2, Apr., 1961 of The William and Mary Quarterly on JSTOR

With good reason, colonial merchants feared the destruction of their profitable trade with the French West Indies. The other authorized the quartering of troops among the people as well as in the barracks that the colony had provided.
