Minerals Program Forms

Please contact Matt Stemmer at 702 293-8223 or to obtain a copy of a project SPCCR. The report discusses production figures for New Mexico mines, by commodity, produced during the previous calendar year, which is the most recent year that statistics are available.

Minerals Program Forms

It also reduces the likelihood of additional species listings.

Land reclamation program annual report, July 1975

This may be submitted using EMLI's , however, other formats are also acceptable.

Annual Report to the Mining Commission

The Annual Reclamation Report must also provide a projection of mining and reclamation activities planned for the next 5 years. Copy Cancel Hello, I am your COVID-19 Digital Assistant! Part 13 of the New Mexico Mining Act Rules requires that an annual report be provided to the Mining Commission.

Annual Report to the Mining Commission

Please Note: starting with the 2020 Annual Reclamation Report submission, EMLI now only requires the submission of ONE shapefile which depicts both the above mine disturbance and reclamation information.
