## The Trehalose Myth Revisited: Introduction to a Symposium on Stabilization of Cells in the Dry State

Discussants are primarily selected from among the submitting authors, who at the time of submission express willingness to participate in the symposium in that capacity as well. Accommodation check-in for the Banff Centre can be done either at Lloyd Hall LH or at the Professional Development Centre PDC.

### Technical Program

However, under suboptimal conditions trehalose has some distinct advantages and thus may remain the preferred excipient.

## The Trehalose Myth Revisited: Introduction to a Symposium on Stabilization of Cells in the Dry State

Please direct any questions regarding the Symposium to or Ann Gosky, Director of the Office of Student Research, at or 330-672-0837. The interactions between ocean and human health are numerous, complex and yet largely unknown to the major part of the public, the stakeholders and the scientific community.

### SCAR Biology Symposia

Articles are conditionally accepted after the first round. The conference registration check-in desk will be open on Sunday June 3 from 3:00pm to 6:00pm in KC 303, as well as each morning of the conference starting at 7:30am.

### ACS Symposium Series (ACS Publications)

Zongpeng Li University of Calgary Keynote Talk 1 9:00am-10:00am Measurement and Experimentation in a Complex World Prof.
