## The Financial Panic of 1907: Running from History

Worshippers pander to a selectively empathic, rewarding and punitive image of ultimate power. One child is permitted, as being a more complicated toy than a dog, perhaps even two, one boy and one girl—but the family of many children is a subject for humor to this decadent outlook. He attacked a number of Central American leaders as Wall Street stooges, naming again Brown Brothers and Morgan.

Thanks for a great service. . Francis Joseph was not very close to the House, but his wife was a good friend of the Rothschilds.

ECON 251

The economic policy is to rake profits out of a market and to dump the expense and loss on the common. President Herbert Hoover's economic team was controlled by his Ambassador to Britain, former Treasury Secretary Andrew Mellon, and Federal Reserve Chairman Eugene Meyer,
