Derry, Countdown to Disaster

It's in the pell-mell rushing of undirected crowds towards a common objective, in the casual cooperation of young women selecting throwable stones, in the orderly militancy of a chorus of cat-callers pressed against a security barrier outside the Corner Boot Stores. In the divided society of Northern Ireland, the interaction of the global and the local that was the hallmark of 1968 had tragic consequences.

Like their French comrades, Northern Ireland's 'sixty-eighters' had assumed that street fighting would lead to political struggle. Although they didn't become involved, the arrival of a force that was viewed by most Nationalists as a sectarian militia made the already dangerous situation even worse. The times were now of shemozzle and hullabaloo, best caught in snatched shots taken on the run.
