## Medicine, morality and humanity

Hence, the demand that physicians must not be allowed to act upon beliefs is unacceptable because it is impossible; one cannot act morally without reference to beliefs, and cannot practise medicine without reference to beliefs.

## Ethics, morality, law

Jesus Christ gave us the as recorded in the New Testament of the Bible.

## The Morality of the COVID

Evangelium Vitae provided the direction America needed to combat a Michigan pathologist's unchecked practice of physician-assisted suicide and euthanasia.

## Medicine, morals, and the law/ Sheila McLean and Gerry Maher

Church officials have not issued statements against all those instances of cooperation with evil. Scripture firmly supports the concepts of social justice, such as the New Testament Letters of St.

## Public Health Ethics and Law

Their moral thermometer for the issues surrounding this topic will likely dictate their actions.

## The Morality of the COVID

Unanimous agreement on moral issues between physicians and patients is not always possible in our pluralistic society.
