Deluged by floods, America's 'oldest city' struggles to save landmarks from climate crisis

John Horse, African-Seminole Africans and Seminoles Blacks played an important role in relations with the Seminole Indians. Discover the history behind judicial practices in the 19th century and see an array of weapons and artifacts. Located in the north part of the city, this landmark symbolizes the clashes of cultures that took place here.

Welcome to St. Augustine, the Oldest City in America

The Spanish constructed a military base guarded by a large fortress, the Castillo de San Marcos, and the settlement developed and evolved into a sophisticated town with gridded streets and a central plaza. Flagler was so devastated by their deaths that he had the construction of the church go around the clock and finished within a year. Augustine, but a hurricane carried his ships far to the south, wrecking them on the Florida coast between present-day Daytona Beach and Cape Canaveral.
