## Europe and the Islamic World: A History

That such national Muslim representation developed in France and Britain is due in part to the citizenship status of most people of Muslim background in these countries. His lab for this proof: Medieval Spain. The success of the project for a European Islam will likely be determined by how much the ideas of these thinkers permeate across diverse Muslim communities.

## An Islamic Europe

As the archetype of Islamic conquest, Hudaybiyyah contains all the elements utilized in jihad to sap the strength of an indigenous population until it breaks: incessant hostility; terror tactics; 10 year truces; mass emigration;. Only France stuck to its secular model.

## Is 'European Islam' the future of Western Muslim identity?

.

## Islamic influence on Western Europe

The causes are not unequivocally clear, but the experience of, for example, East African Asians in Britain, would seem to support the analysis, as there seems to be little correlation between religion and educational and economic success among this mixed Muslim, Hindu, and Sikh group whose urban roots are to be found in commerce and the professions. He was 47 years old. Some countries, like Germany, did little in the first decade to facilitate the integration of its migrants.

## Concentration Camp Guides, the Far Right, and Islam: Europe Frays at the Edges

There are a number of Shī'ī communities in the United Kingdom, notably Ithn ā'ashar īs and Ism ā'īl īs; they are primarily of Iranian, Arab, and South Asian origin. Indeed, there is something almost arcane in the mix of erudition, investigation, and convivial writing that had me completely apathetic to the atomity of the font used. But that starts to change with an influx of immigrants from Muslim countries.
