Influences

Eliot's first wife, after long illness. Next time: Eliot's trips to Little Gidding and East Coker.

T.S. Eliot

In the journal mentioned above alone, I count twelve reviews Eliot wrote in just over a year, each of which is on a book that grapples with science and religion, theism and humanism. At the end of the class they told me they were going to spend lunchtime researching my suggestions; their curiosity was piqued, and so was mine.

International T. S. Eliot Society

Professor Jack obtained her D. Louis, Missouri and migrated to England at the age of 25. The effect of a work of art upon the person who enjoys it is an experience different in kind from any experience not of art.

T.S. Eliot

What is to be insisted upon is that the poet must develop or procure the consciousness of the past and that he should continue to develop this consciousness throughout his career. Also in 1922 Eliot founded the Criterion, a small magazine that appeared until 1939.

Timeline of T.S. Eliot

They face the logistical difficulty of how to see each other in private when both are staying with other people, for Hale does not have her own home. In 2013 Professor Jack was appointed the Gresham Professor of Rhetoric.
