Louis XIII

Who was the Bastille's most famous prisoner, this man with his face obscured by an iron mask, and what did he do to deserve such a fate? In 1661, Louis declared that five fundamental beliefs of the Jansenists were heretical. Louis wanted religious uniformity enforced.

The Search for the Man in the Iron Mask : Paul Sonnino : 9781442253636

This meant that it could exist independent of the Catholic Church and this Louis could not accept. An early offensive against was successful, but the attempted French invasion of in 1553 was defeated at the. For the sake of peace the must be suppressed.

Early modern France

The series of political struggles between various monarchs, particularly France and Portugal, began with disputes over territory in 1750 and culminated in the suspension of diplomatic relations and the dissolution of the Society by the Pope over most of Europe, and even some executions. During the French revolution, the teaching of French was promoted in all the schools.

Madrid: Oficina de Antonio Pérez de Soto.

Vol. 72, No. 2, Jan., 1967 of The American Historical Review on JSTOR

He blessed them, having raised himself up twice according to the custom, without the help of the pontifical seat; and this was the last time that he saw his flock, or they him. And there were moments, as for instance after the fall of , when it really seemed as though the might have escaped; but eventually the obstinacy of Charles III always prevailed. In 1632, Isaac de Razilly became involved, at the request of Cardinal Richelieu, in the colonization of Acadia, by taking possession of the now and developing it into a French colony.
