**Representatives, Ninetieth Congress, second session. (Book, 1968) [perssongroup.materialsproject.org]**

In 1975, Gustáv Husák added the position of president to his post as party chief. It analyses the ways in which individual countries and groups of countries reacted to the major global changes that shaped the world economy—the business cycle, the food crisis and the radical alteration in the energy situation. The demise of Civic Forum was viewed by most as necessary and inevitable.
