## NAO

In anticipation of the hearing presentations moving ahead of schedule, participants are encouraged to arrive early to ensure their designated order of presentation. Senator Argall: Thank you, Senator. So regarding the mail-in specifically, we are still looking at all of the other legal options, and we are also planning on filing additional litigation by the end of this week.

## Hearings and Testimony of the 116th Congress

This is not a manual recount of ballots. Thank you, Senators and Representatives for inviting me to this important hearing.

Rudy Giuliani: Senator, what I would suggest is, they decided that morning or maybe a couple of days before, to exclude you, because they knew what they were going to do. Justin Kweder: First, the Philadelphia Board of Elections processed hundreds of thousands of mail-in ballots with zero civilian oversight or observation.

## Russia Investigation Transcripts and Documents

We let it happen a few times. We know who requested mail-in ballots.

## NAO

Due to these changes, products that are not eligible for consideration under the OTC Drug Review would otherwise require an NDA prior to
