## Article 21

As with the other facets of substantive equality, structural change raises

challenges. For decades they have faced violent abuses by state security forces such as abusive forced labor, rape, arbitrary detention and torture, and killings, based on ethnic and religious grounds.

## The Logic of Equality : Eric Heinze : 9781138715530

Again, creation of super privileged class for descendants of freedom fighters is beyond the constitutional scope and, a denial of equality and non-discrimination. Instead, drawing on familiar conceptions, a four dimensional approach is proposed: to redress disadvantage; address stigma, stereotyping, prejudice, and violence; enhance voice and participation; and accommodate difference and achieve structural change. Andhra Pradesh Public Service Commission v.

## Michael P. Foran, Discrimination as an Individual Wrong

Introduction Health crises, especially those of a global nature such as pandemics, always require measures of rigorous compliance and extreme caution, and the COVID-19 epidemic evidences this.

## México: Considerations on equality and non

Law Society held that the equality guarantee should extend to non-citizens for the very reason that, lacking in political power, they were vulnerable to having their interests overlooked and their rights to equal concern and respect violated.

## PO, Executive Order No. 31, Nondiscrimination and Affirmative Action

Whereas, another group defies reservation alleging that it amounts to economic oppression by negating equality in public employment.

**Michael P. Foran, Discrimination as an Individual Wrong**

Even more problematically, a claim of equal treatment can be met by removing a benefit from the relatively privileged group leveling down. Failure to do so may lead to unequal outcomes of development and poverty alleviation programs. He identifies four distinct types of non-discrimination dispute, being the 'Traditional Model', the 'Impact Model', the 'Accommodation Model', and the 'Non-Recognition Model'.
