For that, we need your two cents! Order Ephemeroptera ~ Mayflies are the only insects belonging to this order of flying insects.

What kind of bug is that?: How to identify a bug in my house

The book itself is beautifully produced by the Chennai-based publishers Blaft Publications; the text of the book is decorated with insects and even the story titles are done in a spidery hand. His body was peppered with arrows but it was the one through his forehead that made us untie him.
