### Fortnite Game Review

If anything, we thought it might be the low end that suffered more.

### Tools to help evaluate creative ideas

Integrity and authenticity continue to be of the highest importance to me. Image credit: TechRadar Design The external design of the SXFI Air is pretty conventional, consisting of a large set of over-ear headphones, which weigh a fairly hefty 0.

### Creative Review

FORTNITE is currently one of the most popular video games in the world, but the majority of most players' attention isn't on the original strategy-focused, single-player campaign also known as Save the World , but rather the stand-alone last-player-standing mode known as Battle Royale.

### Creative SXFI Air headphones review

In Battle Royale, you're playing as yourself trying to defeat everyone else on an ever-shrinking map. Even more dramatic is the improvement while watching Infinity War, with the sound of super-heroes zooming and panning smoothly across the screen. The SXFI Air headphone is a lot of things, but not a serious gaming headset.

Audio all-star Sat on your desktop though you can have it USB'd into your machine, cleaning up the audio and boosting it with Creative's years of audio processing know-how.

### Creative Project Management Software

. Eventually, you'll fumble your way through the tactics here, but it's still a frustrating headache. So please expect hyperlinks to be affiliate links in many cases, when I receive a small percentage of sales if you wish to purchase.
